

Mitchell County Conservation Board

Prescribed Burning Contract

Name: _____

Staff Initials _____

Billing Address: _____

Home Phone: _____ Cell Phone: _____

Email: _____

Number of Acres to be burned: _____ (if you have multiple plantings to complete you must fill out separate contracts for each site)

Farm #: _____ Tract #: _____

Site location: _____ (911 address for burn site)

Site Access: _____

___ Site map included (**NO burning will be complete without a clear map, colored map of burn site, access points, and hazardous areas**)

___ **Site Prepared** - This means that the site is completely prepared for burning. Mowing or disking of fire breaks preparations are complete, and the site is ready to burn. (MCCB is happy to provide advice or answer questions regarding site prep)

This contract is not a GUARANTEE

-MCCB will provide burning services at a rate of **\$30 per acre** with a **minimum charge of \$250**. Acres will be rounded up to the next whole acre.

-MCCB will only consider this contract valid when all the above items are completed, at that point you will be added to our list and not before. Once on the list MCCB will complete contracts in an order of their own logistical continence. Please do not continue to call our office after you have been notified that your contract is valid.

-I understand that once my contract is valid MCCB will make every effort to complete my burn and fully intends to do so. I also understand that burning is a weather dependent task and I also understand that machinery and equipment can breakdown causing delays; for these reasons, I acknowledge that this contract is not a guarantee. MCCB has the right to turn down any burn if they so choose.

I fully understand and agree to the terms of this contract
