### This contract is not a GUARANTEE

-MCCB will provide seeding services at a rate of **\$40 per acre** with a **minimum charge of \$250**.

**-MCCB will only consider this contract valid when all the above items are completed**, at that point you will be added to our list and not before. Once on the list MCCB will complete contracts in an order of their own logistical convenience. Please do not continue to call our office after you have been notified that your contract is valid.

-I understand that once my contract is valid MCCB will make every effort to complete my seeding and fully intends to do so. I also understand that seeding is a weather dependent task and I also understand that machinery and equipment can breakdown causing delays; for these reasons, I acknowledge that this contract is not a guarantee.

I fully understand and agree to the terms of this contract
